Notice is hereby given that the Annual Meeting of the Shareholders of The Female Health Company (the “Company” or “FHC”) will be held at The Hampton Inn & Suites, Sullivan Room, 33 West Illinois Street, Chicago, Illinois 60610, on March 18, 2005 at 2:00 p.m., local time, for the following purposes:

1. To elect nine members to the Board of Directors, the names of whom are set forth in the accompanying proxy statement, to serve until the 2006 Annual Meeting.

2. To consider and act upon a proposal to ratify the appointment of McGladrey & Pullen, LLP, independent registered public accounting firm, as the Company’s auditors for the fiscal year ending September 30, 2005.

Shareholders of record at the close of business on February 8, 2005 are entitled to vote at the Annual Meeting. All shareholders are cordially invited to attend the Annual Meeting in person. Shareholders who are unable to be present in person are requested to execute and return promptly the enclosed proxy, which is solicited by the Board of Directors of the Company.

By Order of the Board of Directors,

WILLIAM R. GARGIULO, JR.
Secretary

Chicago, Illinois
February 22, 2005
This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of The Female Health Company (the “Company”) to be voted at the Annual Meeting of Shareholders to be held at The Hampton Inn & Suites, Sullivan Room, 33 West Illinois Street, Chicago, Illinois 60610, at 2:00 p.m. local time on March 18, 2005, and at any adjournments thereof, for the purposes set forth in the accompanying Notice of Meeting. The mailing to shareholders of this Proxy Statement and accompanying form of proxy will take place on or about February 22, 2005.

GENERAL INFORMATION

The Board of Directors knows of no business which will be presented to the Annual Meeting other than the matters referred to in the accompanying Notice of Annual Meeting. However, if any other matters are properly presented to the Annual Meeting, it is intended that the persons named in the proxy will vote on such matters in accordance with their judgment. If the enclosed form of proxy is executed and returned, it nevertheless may be revoked at any time before it has been voted by a later dated proxy or a vote in person at the Annual Meeting. Shares represented by properly executed proxies received on behalf of the Company will be voted at the Annual Meeting (unless revoked prior to their vote) in the manner specified therein. If no instructions are specified in a signed proxy returned to the Company, the shares represented thereby will be voted FOR: (1) the election of the directors listed in the enclosed proxy; and (2) ratification of McGladrey & Pullen, LLP as the Company’s auditors.

Only holders of the Company’s Common Stock (the “Common Stock”), holders of the Company’s Class A Convertible Preferred Stock-Series 1 (the “Series 1 Preferred Stock”) and holders of the Company’s Class A Convertible Preferred Stock-Series 3 (the “Series 3 Preferred Stock”), whose names appear of record on the books of the Company at the close of business on February 8, 2005 are entitled to vote at the Annual Meeting. On that date, there were 23,322,838 shares of Common Stock, 56,000 shares of Series 1 Preferred Stock and 473,377 shares of Series 3 Preferred Stock outstanding. Each share of Common Stock, each share of Series 1 Preferred Stock and each share of Series 3 Preferred Stock is entitled to one vote on each matter to be presented at the Annual Meeting. A majority of the votes entitled to be cast with respect to each matter submitted to the shareholders, represented either in person or by proxy, shall constitute a quorum with respect to such matter.

Under Wisconsin law, directors are elected by plurality, meaning that the nine individuals receiving the largest number of votes are elected as directors, and the ratification of the appointment of the auditors requires the affirmative vote of a majority of the shares represented, in person or by proxy, at the Annual Meeting. Abstentions and broker nonvotes (i.e., shares held by brokers in street name, voting on certain matters due to discretionary authority or instruction from the beneficial owners but not voting on other matters due to lack of authority to vote on such matters without instructions from the beneficial owners) will count toward the quorum requirement but will not count toward the determination of whether directors are elected or the appointment of the auditors is ratified.

CORPORATE GOVERNANCE MATTERS

Director Nominations

The Company has a standing Nominating and Corporate Governance Committee. The Company has placed a current copy of the charter of the Nominating and Corporate Governance Committee on its website located at www.femalehealth.com. Because the Common Stock is traded on the Over the Counter Bulletin Board, the Company is not subject to the listing requirements of any securities exchange or the Nasdaq Stock Market regarding the independence of the members of the Nominating and Corporate Governance Committee. However, each member of the Nominating and Corporate Governance Committee is independent as defined in the listing standards of the Nasdaq Stock Market.
The Nominating and Corporate Governance Committee will consider director nominees recommended by shareholders. A shareholder who wishes to recommend a person or persons for consideration as a nominee for election to the Board of Directors must send a written notice by mail, c/o Secretary, The Female Health Company, 515 North State Street, Suite 2225, Chicago, Illinois 60610, that sets forth: (1) the name, address (business and residence), date of birth and principal occupation or employment (present and for the past five years) of each person whom the shareholder proposes to be considered as a nominee; (2) the number of shares of the Common Stock beneficially owned (as defined by section 13(d) of the Securities Exchange Act of 1934) by each such proposed nominee; (3) any other information regarding such proposed nominee that would be required to be disclosed in a definitive proxy statement to shareholders prepared in connection with an election of directors pursuant to section 14(a) of the Securities Exchange Act of 1934; and (4) the name and address (business and residential) of the shareholder making the recommendation and the number of shares of the Common Stock beneficially owned (as defined by section 13(d) of the Securities Exchange Act of 1934) by the shareholder making the recommendation. The Company may require any proposed nominee to furnish additional information as may be reasonably required to determine the qualifications of such proposed nominee to serve as a director of the Company. Shareholder recommendations will be considered only if received no less than 120 days nor more than 150 days before the date of the proxy statement sent to shareholders in connection with the previous year’s annual meeting of shareholders.

The Nominating and Corporate Governance Committee will consider any nominee recommended by a shareholder in accordance with the preceding paragraph under the same criteria as any other potential nominee. The Nominating and Corporate Governance Committee believes that a nominee recommended for a position on the Company’s Board of Directors must have an appropriate mix of director characteristics, experience, diverse perspectives and skills. For new potential board members, the Nominating and Corporate Governance Committee will in the first instance consider the independence of the potential member and the appropriate size of the board and then the qualifications of the proposed member. Qualifications of a prospective nominee that may be considered by the Nominating and Corporate Governance Committee include:

- personal integrity and high ethical character;
- professional excellence;
- accountability and responsiveness;
- absence of conflicts of interest;
- fresh intellectual perspectives and ideas; and
- relevant expertise and experience and the ability to offer advice and guidance to management based on that expertise and experience.

Communications between Shareholders and the Board of Directors

The Company has placed on its website located at www.femalehealth.com a description of the procedures for shareholders to communicate with the Board of Directors, a description of the Company’s policy for its directors and nominee directors to attend the Annual Meeting and the number of directors who attended last year’s Annual Meeting.

AUDIT COMMITTEE MATTERS

Report of the Audit Committee

The Audit Committee is comprised of three members of the Company’s Board of Directors. As stated above, because the Common Stock is traded on the Over the Counter Bulletin Board, the Company is not subject to the listing requirements of any securities exchange or the Nasdaq Stock Market regarding the independence of the members of the Company’s Audit Committee. However, each member of the Audit Committee is independent as defined in the listing standards of the Nasdaq Stock Market.
The duties and responsibilities of the Audit Committee are set forth in the Audit Committee Charter, which was amended by the Board of Directors in February 2004 and was attached as Annex A to the Company's proxy statement for the 2004 Annual Meeting of the Shareholders.

• reviewed and discussed the Company’s audited financial statements for the fiscal year ended September 30, 2004, with the Company’s management and with the Company’s independent auditors;

• received and discussed with the Company’s independent auditors the written disclosures and the letter from the Company’s independent auditors required by Independence Standards Board Statement No. 1 (Independence discussions with Audit Committees) and the independent auditor’s independence.

Based on such review and discussions with management and the independent auditors, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company’s Annual Report on Form 10-KSB for the fiscal year ended September 30, 2004, for filing with the Securities and Exchange Commission (the “SEC”).

### Employment and Change of Control Agreements

The Company entered into an employment agreement with Dr. Leeper effective May 1, 1994. The original term of Dr. Leeper’s employment extended to April 30, 1997 and after April 30, 1997 her employment term renews automatically for additional three-year terms unless notice of termination is given. The employment agreement has automatically renewed for a term ending on April 30, 2006. The Company may terminate the employment agreement at any time for cause. If Dr. Leeper’s employment is terminated without cause, the Company is obligated to continue to pay Dr. Leeper her base salary and any bonus to which she would otherwise have been entitled for a period equal to the longer of two years from the date of termination or the remainder of the then applicable term of the employment agreement. In addition, the Company is obligated to continue Dr. Leeper’s participation in any of the Company’s health, life insurance or disability plans in which Dr. Leeper participated prior to her termination of employment. Dr. Leeper’s employment agreement provides for a base salary of $175,000 for the first year of her employment term, $195,000 for the second year of her employment term and $225,000 for the third year of her employment term, subject to the achievement of performance goals established by Dr. Leeper and the Company’s Board of Directors. If the employment agreement is renewed beyond the initial three-year term, it requires her base salary to be increased annually by the Board of Directors based upon her performance and any other factors that the Board of Directors considers appropriate. For fiscal 2002 and 2003, Dr. Leeper’s base salary was $225,000 per year. For fiscal 2004, the Board of Directors raised
her base salary to $250,000 per year. The employment agreement also provides Dr. Leeper with various fringe benefits including an annual cash bonus of up to 100% of her base salary. The Board of Directors may award the cash bonus to Dr. Leeper in its discretion. To date, Dr. Leeper has not received a cash bonus.

In fiscal 1999, the Company entered into Change of Control Agreements with each of O.B. Parrish, its Chairman and Chief Executive Officer, Mary Ann Leeper, its President and Chief Operating Officer, and Michael Pope, its Vice President. These agreements essentially act as springing employment agreements which provide that, upon a change of control, as defined in the agreement, the Company will continue to employ the executive for a period of three years in the same capacities and with the same compensation and benefits as the executive was receiving prior to the change of control, in each case as specified in the agreements. If the executive is terminated without cause or if he or she quits for good reason, in each case as defined in the agreements, after the change of control, the executive is generally entitled to receive a severance payment from the Company equal to the amount of compensation remaining to be paid to the executive under the agreement for the balance of the three-year term.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires the Company’s officers and directors, and persons who own more than 10% of a registered class of the Company’s equity securities, to file reports of ownership and changes in ownership with the SEC on Forms 3, 4 and 5. Officers, directors and greater than 10% shareholders are required by SEC regulation to furnish the Company with copies of all Forms 3, 4 and 5 they file.

Based solely on a review of the copies of such forms furnished to the Company, or written representations that no Forms 5 were required, the Company believes that during fiscal 2004 all section 16(a) filing requirements applicable to its officers, directors and greater than 10% beneficial owners were complied with, except that Mr. Parrish filed a Form 4 on September 14, 2004 reporting a transaction occurring on January 27, 2004; Dr. Leeper filed a Form 4 on September 14, 2004 reporting a transaction occurring on January 27, 2004; Mr. Dearholt filed a Form 4 on April 12, 2004 reporting a transaction occurring on March 25, 2004; Mr. Pope filed a Form 4 on September 14, 2004 reporting a transaction occurring on January 27, 2004 and a Form 5 on December 21, 2004 reporting a transaction occurring on October 1, 2004; and Mr. Zic filed a Form 4 on January 9, 2004 reporting a transaction occurring on January 5, 2004, a Form 4 on February 23, 2004 reporting transactions occurring on January 2, 2004, February 12, 2004 and February 13, 2004, a Form 4 on March 23, 2004 reporting transactions occurring on March 9, 2004, March 10, 2004, March 15, 2004 (two separate transactions) and March 18, 2004, a Form 4 on April 12, 2004 reporting a transaction occurring on March 26, 2004, a Form 4 on May 12, 2004 reporting transactions occurring on April 21, 2004 (two separate transactions) and a transaction on April 22, 2004 and a Form 4 on September 13, 2004 reporting transactions occurring on June 28, 2004 and June 30, 2004.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

On March 25, 1997, 1998, 1999, 2000, 2001, 2002 and 2003, the Company extended a $1 million, one-year promissory note payable by it to Mr. Dearholt for a previous loan Mr. Dearholt made to the Company. The promissory note was payable in full on March 25, 2004 and bears interest at 12% annually, payable monthly. The borrowing transactions were effected in the form of a promissory note from the Company to Mr. Dearholt and related Note Purchase and Warrant Agreements and a Stock Issuance Agreement. Under the 1997, 1998 and 1999 Note Purchase and Warrant Agreements, the Company issued to Mr. Dearholt warrants to purchase 200,000 shares of the Company’s Common Stock in 1997 at an exercise price of $1.848 per share, 200,000 shares of Common Stock in 1998 at an exercise price of $2.25 per share and 200,000 shares of the Company’s Common Stock in 1999 at an exercise price of $2.50 per share.
Stock in 1999 at an exercise price of $1.16 per share. In connection with the extension of the note to March 25, 2001, the Company issued warrants to purchase 280,000 shares of the Company’s Common Stock in 2000 at an exercise price of $0.71 per share. In connection with the extension of the note to March 25, 2002, the Company issued warrants to purchase 280,000 shares of the Company’s Common Stock in 2001 at an exercise price of $0.40 per share. In connection with the extension of the note to March 25, 2003, the Company issued warrants to purchase 300,000 shares of the Company’s Common Stock in 2002 at an exercise price of $1.18 per share. In connection with the extension of the note to March 25, 2004, the Company issued warrants to purchase 300,000 shares of the Company’s Common Stock in 2003 at an exercise price of $1.20 per share. In each case, the exercise price of the warrants equaled 80% of the market price of the Company’s Common Stock on the date of issuance. The warrants expire upon the earlier of their exercise or on March 25, 2005 for the warrants issued in 1997, March 25, 2007 for the warrants issued in 1998, March 25, 2009 for the warrants issued in 1999, March 25, 2010 for the warrants issued in 2000, March 25, 2011 for the warrants issued in 2001, March 25, 2014 for the warrants issued in 2002, and March 25, 2016 for the warrants issued in 2003. The Company also granted Mr. Dearholt securities registration rights for any Common Stock he receives from the Company under these warrants or the Stock Issuance Agreement. Under the Stock Issuance Agreement, if the Company failed to pay the $1 million under the note when due, the Company was obligated to issue 200,000 shares of the Company’s Common Stock to Mr. Dearholt. The Company subsequently repaid this note in full in March 2004.

The Company entered into a loan agreement on May 18, 2001, providing for a three-year loan commitment from a bank of up to $2,000,000. The Company could borrow under this loan agreement from time to time subject to a number of conditions, including obtaining personal guarantees of 125% of the amount outstanding under the loan. In May 2001, the Company borrowed a total of $1.5 million under this loan agreement. Five persons provided guarantees equal in total to the $1.5 million outstanding under the loan. The guarantors included James R. Kerber, a member of the Company’s Board of Directors, Stephen M. Dearholt, a member of the Company’s Board of Directors, Richard E. Wenninger, a member of the Company’s Board of Directors, and a trust for the benefit of O.B. Parrish, the Company’s Chairman of the Board and Chief Executive Officer. Each guarantor may be liable to the lender for up to 125% of the guarantor’s guarantee amount if the Company defaults under the loan. The Company issued warrants to the guarantors to purchase the number of shares of the Company’s Common Stock equal to the guarantee amount of such guarantor divided by the warrant purchase price as of the date of exercise. The warrant purchase price is the price per share equal to 70% of the market price of the Company’s Common Stock at the time of exercise, but in no event will the warrant purchase price be less than $0.50 per share or more than $1.00 per share. The Company also issued additional warrants to purchase 100,000 shares of the Company’s Common Stock at an exercise price of $0.50 per share to each of Stephen M. Dearholt and Richard E. Wenninger because each of them guaranteed $500,000 under the loan. The Company granted all of the guarantors registration rights which require that the Company register the shares of Common Stock underlying the warrants. All of the guarantors, except Mr. Kerber, exercised their warrants between September and December 2004 pursuant to the warrant exercise program described below. Proceeds from this warrant exercise were used to subsequently repay the remaining portion of the loan in full.

Effective March 30, 2001, the Company issued a $250,000 convertible debenture to Richard E. Wenninger. Mr. Wenninger subsequently became a member of the Company’s Board of Directors in July 2001. The convertible debenture bore interest at 12% per year and had a three-year term. Mr. Wenninger converted the debenture into 500,000 shares of Common Stock on January 8, 2003 based on a conversion rate of $0.50 per share.

During September and October 2002, the Company offered the holders of its outstanding preferred stock the right to convert their shares of preferred stock into shares of Common Stock based on a price of $1.80 per share, the closing price of the Common Stock on September 4, 2002. This resulted in a conversion rate of approximately 1.39 shares of Common Stock per share of preferred stock rather than the 1 to 1 conversion rate set forth in the Company’s Articles of Incorporation. Effective September 20, 2003, a total of 604,000 shares of Series 1 Preferred Stock were converted into a total of 838,899 shares of Common Stock. 309,000 shares of
preferred stock beneficially owned by Mr. Walton were converted into 429,166 shares of Common Stock and 60,000 shares of preferred stock beneficially owned by Mr. Wenninger were converted into 83,333 shares of Common Stock.

Between September and December 2004, the Company conducted a program to induce the holders of the Company’s outstanding Common Stock purchase warrants to exercise their warrants. Pursuant to this program, the Company offered an incentive to such holders providing for issuance of (1) shares of the Company’s Common Stock equal to 10% of the aggregate number of Common Stock purchase warrants exercised or (2) Common Stock purchase warrants equal to 20% of the aggregate number of Common Stock purchase warrants exercised containing an exercise price per Common Stock purchase warrant equal to the closing price of the Company’s Common Stock as reported on the OTC Bulletin Board on the date the holder committed to exercise the outstanding warrants. Under the incentive program, a trust for the benefit of O.B. Parrish, the Company’s Chairman and Chief Executive Officer, exercised 200,000 Common Stock purchase warrants and received 20,000 additional shares of the Company’s Common Stock, and each of Mr. Wenninger and Mr. Dearholt, both members of the Company’s Board of Directors, exercised 600,000 Common Stock purchase warrants, respectively, and each received additional Common Stock purchase warrants to purchase 120,000 shares of the Company’s Common Stock. The exercise price for these new warrants is equal to $1.50 per share and all have an expiration date of November 23, 2007.
