**Explanation of Responses:**

1. In addition to the 2,314,251 shares held directly, 5,000 shares are held indirectly by reporting person's spouse. Mr. Wenninger disclaims beneficial ownership of these shares.

2. The number of shares of common stock able to be purchased is determined by dividing $250,000, the principal due under the debenture, by the conversion rate of $0.50 (as determined in accordance with footnote 4 below).

3. Includes 4,878 shares of common stock of the issuer received by Mr. Wenninger in exchange for interest payments owed by the issuer on the convertible debenture held by Mr. Wenninger prior to the conversion of such debenture.

4. The debenture contains a floating conversion rate that fluctuated, based upon the average market price of the issuer's common stock during the five day period preceding the date of the conversion notice, between $0.50 and $1.00. Based upon the average market price of the issuer's common stock during such five day period, the conversion rate was $0.50.

5. This Form 4 amends the reporting person's Form 4 originally filed on February 14, 2003.

James Bedore, Attorney-in-fact 12/18/2003

**Signature of Reporting Person**

Reminder: Report on a separate line for each class of securities beneficially owned directly or indirectly.

* If the form is filed by more than one reporting person, see Instruction 4 (b)(v).

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, see Instruction 6 for procedure.

Persons who respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB Number.
